Wintersun began 21 years ago as a small community festival. It has now become one of the biggest and most popular nostalgia festivals in the Southern Hemisphere, with thousands of people coming from all over Australia and overseas to attend. Join the parades, cruise to Brisbane and Byron Bay, meet the drivers, feel the heat of one of the most spectacular flame-outs' nights, meet some legends of Aussie Rock, enjoy the live bands, and rockabilly, rock'n'roll and swing dancing, watch the Roulettes in action, and much, much more!
